BEATTY'S PIANOS AND OR

Hon. Daniel F. Beatty, the great Organ and Piano Manufacturer, is building and shipping more Organs and Pianos than ever. In 1870 Mr. Beatty left home a penniless plowboy, and by his indomitable will be has worked his way up so as to sell ss far, nearly 100,000 of Beatty's Or gans and Pianos since 1870. Noth ing seems to dishearten him; obsta elles laid in his way, that would have wrecked any ordinary man forever. he turns to an advertisement and comes out of it brighter than ever. His instruments, as is well known, are very popular and are to be found formed that during the next ten months he intends to sell 200,000 more of his make, that means a business of \$20,000,000 if we average them at \$100 each. It is already che largest business of the kind in existence—Send to Daniel F. Beatty, Washington, New Jersey, for Cata-
